CalREDIE Provider Portal

Submit reports to Health Departments electronically!

What is CalREDIE?

- California Reportable Disease Information Exchange (CalREDIE) is the California Department of Public Health's (CDPH) communicable disease reporting and surveillance system of record.

- It is used by state and local public health officials and healthcare providers for communicable disease reporting and surveillance.

What is the Provider Portal (PP)?

- Secure, web-based interface within CalREDIE

- Allows Civil Surgeons to electronically submit latent TB infection (LTBI) reports to Local Health Departments (LHDs)
