

## CITC Update for CTCA Business Meeting

November 17, 2020

- CITC funded from 2018-2022 as a Tuberculosis Center of Excellence for Training, Education, and Medical Consultation (TB COE) for the western region, serving 17 jurisdictions
    - All TB COE educational products and webinars serve a national audience
    - Archived webinars and products from all 4 TB COEs are available on one [website](#)
  - CITC continues to provide **expert [medical consultation](#)** with our 29 consultants
    - Added in 2018: addition of **longitudinal medical consultation**, as needed
  - CITC provides ongoing **technical assistance** to the region
    - Please email us at [CurryTBCenter@ucsf.edu](mailto:CurryTBCenter@ucsf.edu) with technical assistance inquiries
  - CITC coordinates 6 [mini-fellowships](#) each year, often partnering with different host jurisdictions. Virtual options are available for 2020/21.
  - CITC develops **educational/clinical care products** and updates existing products as needed
- Highlights for 2020/21:
- Finalize the update to our TB Infection Control book
  - Collaborating with CDPH on key updates to the 3<sup>rd</sup> edition of the [Drug-Resistant Tuberculosis: A survival Guide for Clinicians](#)
  - Limited printing of the English version of the [LTBI focused patient flip book for Chuuk, FSM](#). Modifiable English template is posted on our website, please note that no IGRA content is included. Please contact us if you would like to request a printed copy, as it is not available to be ordered from our website (*limited availability*).
  - Partnering with CDPH to update the Contact Investigation in Schools Toolkit.

- CITC develops tailored TB [trainings](#) in addition to our [core trainings](#) and national **webinars**  
Highlights for 2020/21:
  - Case Management and Contact Investigation training, 2021 (*virtual?*)
  - Webinars include:
    - B-Notification (12/8/2020)
    - Leadership in Public Health
    - Contact Investigation and Interview Basics (in collaboration with CDPH)
    - Study 31 (in collaboration with CDC and all TB COEs)
    - World TB Day/Regional TB Medical Consultants Meeting 2021
  - Civil surgeon training in partnership with CDPH
  - Focus on LTBI and TB Clinical Intensive, 2021
  - Tuberculosis Contact Investigation and Interviewing Skills Intensive
