___ Other needs (please list): _____

Payment can be made through the conference webpage

Exhibitors will have a table and chair in the pre-function space outside of the meeting rooms, co-located with the registration and buffet tables. Exhibitors will also be listed in the conference materials.

Exhibitor support is essential to bring the California TB care and prevention public health community together for the latest information and to network with each other for improved communications and coordination.

Thank you for your interest in being with us in Santa Cruz. If remote participation is what works with your commitments this Fall, let me know, and we'll create an opportunity for your interest in exhibiting remotely.
