Population Health Division, San Francisco Department of Public Health

10:00-11:00

Creating A CalREDIE Query for Nurse Assignments, Step-by-Step Workflow

Jenny Hernandez, MSN, PHN, Supervising Public Health Nurse, San
Bernardino County Public Health, Communicable Diseases

11:00-12:00

TB Billing, Resources to Build Systems and Address Challenges

Sandra Calvario, Program Administrator, Ventura County Health Care Agency

Denise Ramirez, Supervising Health Services Assistant, San Bernardino
Department of Public Health

OBJECTIVES

At the end of this course, participants will be able to:

1. Implement a routine CalREDIE query to monitor and balance TB caseloads for licensed TB program staff to maintain safe licensed staff-to-TB patient case ratios, to prevent staff burnout, and to support best possible outcomes for TB patients.
2. Develop a strategy to start or improve TB billing systems to generate additional revenue for TB programs in order to sustain TB care and prevention in TB programs in California.
3. Access additional resources and trainings to assist with setting up and problem-solving TB billing systems and billing problems to generate additional revenue for TB programs in order to sustain TB care and prevention in TB programs in California.

Jenny Hernandez, MSN, RN, PHN
Cameron Kaiser, MD, MPH, FAAFP
Ramanjot Kaur, MPH
Jaspreet Sidhu, BSN, RN
Gal Tabachnik, MPH
Judith Thigpen, MPH

CONTINUING EDUCATION CREDITS

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the Curry International Tuberculosis Center and the California Tuberculosis Controllers Association. The Curry International Tuberculosis Center is accredited by the ACCME to provide continuing medical education for physicians. This training is approved for up to 2.0 continuing education hours.

The Curry International Tuberculosis Center designates this educational activity for a maximum of 2.0 *AMA PRA Category 1 Credits™*. Physicians should only claim credit commensurate with the extent of their participation in the activity.

The Curry International Tuberculosis Center is approved as a provider of continuing education by the California State Board of Registered Nurses, Provider Number CEP 12308. This educational activity is approved for up to 2.0 continuing education hours. Board requirements prevent us from offering CE credit to people who arrive more than 15 minutes after the start of the training or leave the training early. Therefore, partial credit will not be awarded.

Certificates will be available on the Curry International Tuberculosis Center website approximately twelve weeks after the training to all participants who requested CME or nursing credits on their applications and who successfully complete the training. Successful completion includes attending the entire training, signing in, and completing an online evaluation. To view your certificate, you will need to log into the CITC website, go to the training page, and click on "[training history](#)." All CME recipients will be contacted 4-months after the training to assist with long-term evaluation activities.
