

TB Free California: Here We Come!

Zoom

Agenda

1:00 PST

California, TB Elimination Landscape

Jennifer Flood, MD, MPH, California Department of Public Health, Tuberculosis Control Branch

Learning Objective: At the end of the course, participants will be able to: Describe the burden of TB in California and identify patient populations most affected by TB disease and TB infection in order to guide their local TB control programs' efforts and enhance their patient outcomes.

2:00 PST

Moving TB prevention cascade forward in a large primary care setting

Jacek Skarbinski, MD, Infectious Diseases and HIV Specialist, and Undergraduate and Graduate Medical Education Program Director, Kaiser Permanente, Northern California

Learning Objective: At the end of this course, participants will be able to: Develop strategies to improve care for patients with latent TB infection.

CTCA 2020 EDUCATIONAL CONFERENCE – November 12, 2020

TB Free California: Here We Come!

Zoom

CONTINUING EDUCATION CREDITS

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the Curry International Tuberculosis Center and the California Tuberculosis Controllers Association (CTCA). The Curry International Tuberculosis Center is accredited by the ACCME to provide continuing medical education for physicians. This educational conference is approved for 2.0 continuing education hours.

The Curry International Tuberculosis Center designates this educational activity for a maximum of *2.0 AMA PRA Category 1 Credits™*. Physicians should only claim credit commensurate with the extent of their participation in the activity.

The Curry International Tuberculosis Center is approved as a provider of continuing education by the California State Board of Registered Nurses, Provider Number CEP 12308. This educational conference is approved for 2.0 continuing education hours. Board requirements prevent us from offering CE credit to people who arrive more than 15 minutes after the start of the educational conference, or leave the educational conference early. Therefore, partial credit will not be awarded.

Certificates will be emailed approximately eight to twelve weeks after the educational conference to all participants who successfully complete the educational conference. Successful completion includes attending the entire educational conference and completing and turning in an online evaluation form.

All CME recipients will be contacted 4-months after the course to assist with long-term evaluation activities.
